

The screenshot displays a highly detailed Excel budget spreadsheet for the 2023-2024 fiscal year. The spreadsheet is organized into several distinct color-coded sections:

- Green Section (Left):** Labeled 'REVENUES' in the header, this section contains multiple columns for revenue data, including dates and amounts.
- Purple Section (Left):** Labeled 'EXPENSES' in the header, this section contains multiple columns for expense data, including dates and amounts.
- Blue Section (Center):** Labeled 'BUDGET' in the header, this section contains multiple columns for budget data, including dates and amounts.
- Orange Section (Right):** Labeled 'BUDGET' in the header, this section contains multiple columns for budget data, including dates and amounts.

The spreadsheet is filled with numerous rows and columns of data, including dates, amounts, and percentages. The layout is highly structured and detailed, with a complex grid of cells. The header and footer areas contain additional text and logos, including the text 'REVENUES' and 'EXPENSES' in the header, and 'BUDGET' and 'BUDGET' in the footer. The overall design is professional and comprehensive, typical of a financial planning tool.
